

# CHESHAM BOIS SPEED DATA

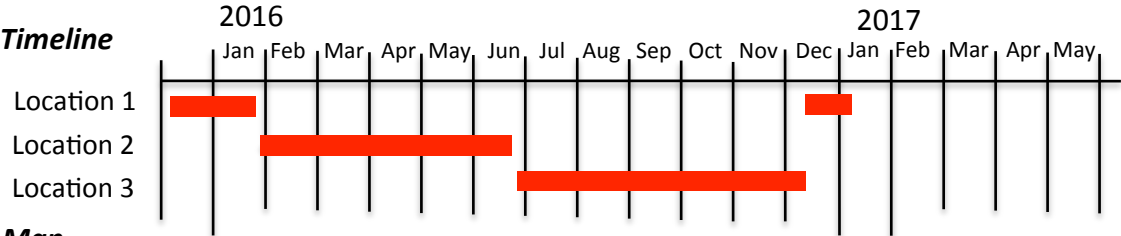

## Summary

Chesham Bois Parish Council is committed to maintaining road safety for all users and invested in a speed monitoring sign to make drivers aware of the speed they are travelling at.

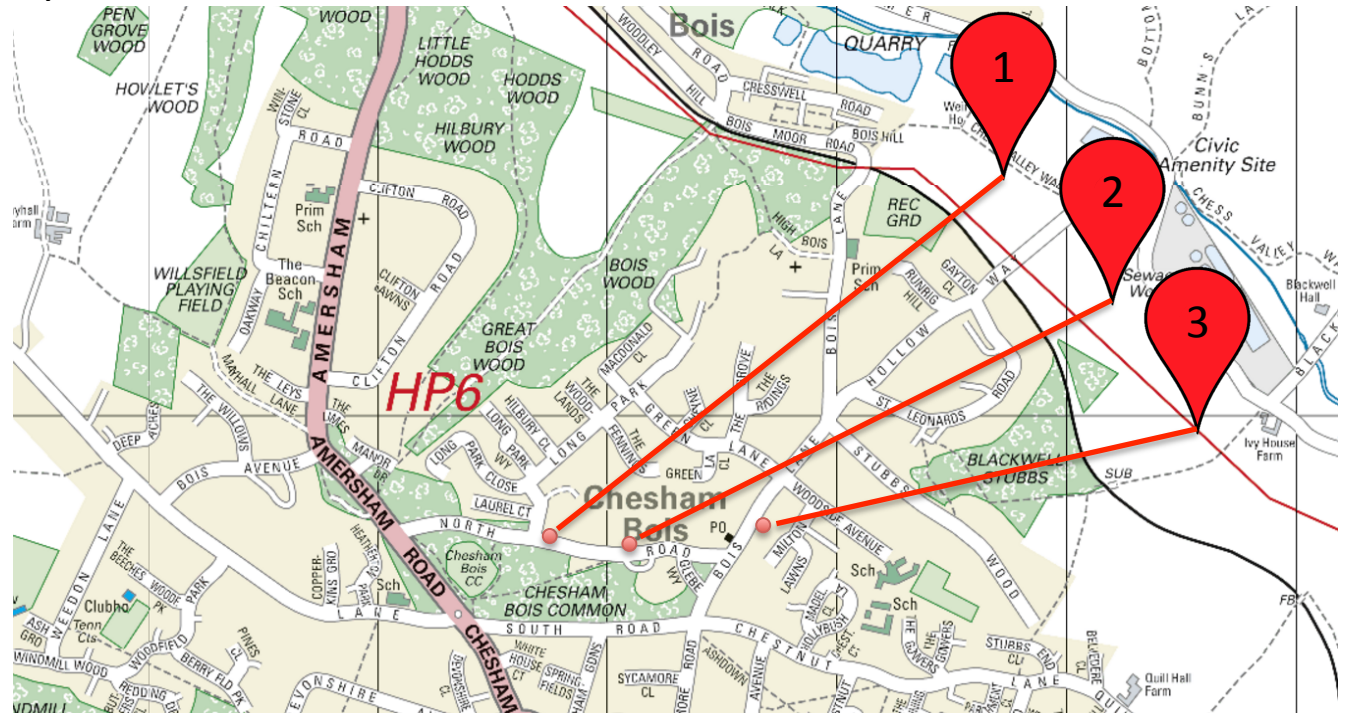

The sign has been in use since January 2016 in North Road and Bois Lane and a summary of the data is presented below for your information.

Whilst the majority of drivers observe the speed 30 mph speed limit a minority do not.

This data has been passed to the police and they will be conducting an enforcement programme during the coming months.
