

AMERSHAM DECIDES 2018 - HAVE YOUR SAY!

The Amersham Local Area Forum is happy to announce that **£9,000** of its devolved budget from Buckinghamshire County Council will be spent on four **local community projects**.

The good news is all four projects will receive funding, but we need your help to decide which project gets the most!

1st place is £,4000!

Choose your favourite project on a ballot form and pop it in this box!

Amersham Mobile Museum

The Amersham Museum Bus aims to create an on-the-go exhibition showcasing the mixed media work around Amersham in the 20th century which has been created by local community groups and schools. The bus will reach vulnerable and isolated people both at home and at local community groups.

Old Amersham Memorial Gardens

School children, volunteers and youth groups will come together to develop the Old Memorial Gardens in to an attractive, welcoming, safe place for residents by creating a sensory garden and encouraging wildlife through the building of Bug Hotels.

Savvy E-Safety

An intergenerational project designed to support older and vulnerable people pairing them with young volunteers from local schools & colleges to teach them how to access technology and how to stay safe on the internet. Both groups will learn valuable skills from the intergenerational experience.

Citizens Advice Service

A home visiting service from Citizens Advice to reach Amersham's older and vulnerable people at home, providing information to enable them to maximise their income and signpost them to services to reduce social isolation.

Voting is open to residents in the Amersham Local area

(One vote per resident. Voting closes 27th July 2018)
