## **Chair's Report June 2021**

## **Councillor Vacancies**

Cllr Thomas and Cllr Woolveridge have both decided to stand down from the Parish Council. I want to thank them for their many years of service and dedication to the parish and wish them every happiness in the future. I also want to thank those Councillors who stood down or who were not re re-elected in May, Cllrs Harbottle, Hartley, Harrison and Large, all of whom gave unstintingly of their time and expertise for the benefit of residents. They too have my best wishes for the future. All these councillors were very helpful and welcoming to me when I first joined the Parish Council, which was much appreciated.

## **Draft Co-Option Policy**

This means there are two vacancies. We will know by 15<sup>th</sup> June whether the electors of the parish wish to call an election. If not, then two members will need to be co-opted, following the process set out our draft Co-option Policy which Council are asked to consider.

## Parish Centre Redevelopment Update

St Leonard's Church plan to appeal against the decision to refuse planning permission for the Parish Centre Redevelopment. As I understand it, we as a Parish Council have no role in the appeal process. If the appeal is successful, then we will reconvene the Working Group to work with St Leonard's on the way forward.

## **Burial Ground Management WG Membership**

Currently only Cllr Baldwin is on this working group as all working groups have to have at least 3 councillors as members this means the working group is not currently viable. Cllr Staite has already agreed to join the working group and we therefore need one more councillor.

I want to congratulate the Village Community Working Group on organising a very successful event on the Common on 5<sup>th</sup> June. The production of *Macbeth* by the Handlebards was well attended by all ages, and we were very lucky to have a perfect summer evening for it. It might be possible to make such an event a regular part of the parish calendar, possibly alternating with the fete.

Cllr Deborah Conway Read Chair, Chesham Bois Parish Council June 2021

# Chesham Bois Parish Council DRAFT Co-Option Policy

## 1. Introduction

- 1.1 Co-option is the process which is followed if a vacancy occurs on the council through the resignation, disqualification or death of a councillor during their term of office, where, following statutory notice of the vacancy, the electorate do not request that a poll (by-election) is held.
- 1.2 The co-option procedure can also be used if, following the close of nominations for a full parish council election, there are vacancies (i.e. not enough candidates have put themselves forward for the number of seats available to be filled.)
- 1.3 The law governing the filling of a casual vacancy by co-option can be found in the Representation of the People Act 1983, Local Elections (Parishes and Communities) (England and Wales) Rule 2006, r. 5 (5).
- 1.4 This policy and its procedure will be applied when a vacancy as described above is required to be filled.
- 1.5 The policy will be followed by the Clerk, any other relevant employees, all councillors and prospective candidates.

## 2. Advertising the Vacancy

- 2.1 Upon notification from Buckinghamshire Council Electoral Services that no elector poll has been requested and that a vacancy is eligible to be filled by co-option, the notification of the vacancy will be advertised. The advertisement must state the rules for eligibility.
- 2.2 Candidates will be invited to submit information about themselves by a specified date by way of completing a short application form which includes a personal statement explaining the reasons for seeking to become a parish councillor. (Appendix 1)
- 2.3 The opportunity to respond to the advertisement will be open until the vacancy is filled.
- 2.4 Copies of the application form and personal statement will be circulated to council for consideration.

## 3. Co-Option Meeting

- 3.1 The co-option will be an agenda item at the next council meeting.
- 3.2 Candidates will be invited to say something about themselves and Council have the opportunity to ask questions of the candidates. Each candidate will be allocated three minutes.
- 3.3 The Chairman will offer opportunity for debate. In most cases, the candidates will be asked to leave the room while this process take place.
- 3.4 The Chairman will request the councillors present to nominate any of the candidates. Candidate will require a proposer and seconder to progress to the voting stage. If there is only one vacancy, a councillor many only nominate or second one candidate.

- 3.5 The Chairman shall then move to a vote, presenting each candidate in surname alphabetical order. The voting process will be that laid down in Standing Order 3q and 8 below. To be co-opted onto the Council, the candidate must receive an absolute majority of the votes of those present and voting (that is more than half of the total votes cast.)
  - 3q. Unless standing orders provide otherwise, voting on a question shall be by a show of hands or, if at least two members request, by signed ballot. At the request of a councillor, the voting on any question shall be recorded so as to show whether each councillor present and voting gave his vote for or against that question. Such a request shall be made before moving on to the next item of business on the agenda.
  - 8a Voting on Appointments.

    Where more than two persons have been nominated for a position to be filled by the Council and none of those persons has received an absolute majority of votes in their favour, the name of the person having the least number of votes shall be struck off the list and a fresh vote taken. This process shall continue until a majority of votes is given in favour of one person. A tie in votes may be settled by the casting vote exercisable by the chairman of the meeting.
- 3.6 The Council's debate and vote on the co-option must be conducted in the public section of the meeting.
- 3.7 After the vote has been taken, the Chairman will declare the candidate(s) who received the highest number of votes duly elected.
- 3.8 If the person(s) elected are present they may join the meeting and sign an acceptance of office form in the presence of the Proper Officer of the parish council. It should be noted that their vote on any matter requiring prior notice will be discounted in case of a tied vote for that meeting only.

## 4. After the Meeting

- 4.1 Successful candidates will be provided with a councillor induction pack by the Clerk and informed of new councillor training opportunities offered by Buckinghamshire & Milton Keynes Association of Local Councils.
- 4.2 The Clerk will notify Buckinghamshire Council Electoral Services of the new councillor appointment.
- 4.3 If no one accepts the vacant post(s) the whole process will be repeated when new individuals expressing interest are identified or until the next election.

This Policy is to be reviewed every two years.

Adopted by Chesham Bois Parish Council on:

The Council Office, Glebe Way, Chesham Bois, Bucks. HP6 5ND Telephone: 01494-432585 Email: clerk@cheshamboispc.org.uk www.cheshamboispc.org.uk Chairman: Deborah Conway Read

## **Chesham Bois Parish Council Risk Assessment Management**

A Risk Assessment is a systematic general examination of working conditions, workplace activities and environmental factors that will enable Council to identify any and all potential inherent risks. Council will take all practical and necessary steps to reduce or eliminate risks, in so far as is practically and reasonably possible. This document has been produced to enable Council to assess the risks it faces and satisfy itself that it has taken adequate steps to minimise them.

## **Financial**

Subject	Risk Identified	Level	Management/Control of Risk	Review/As- sess/Revise
Precept	Adequacy of precept requirements  Requirements not submitted to	Low	Council receive detailed budgets in the late autumn. Precept derived directly from this. Expenditure against budget is reported to Council monthly.	Existing procedures are adequate
	Buckinghamshire Council in time  Amount not received by CBPC	Low	Precept should be considered by Council before the deadline – deadline should be ascertained from BC asap.	are adequate
	Amount not received by CBPC	Low	The clerk informs Council when the monies are received.	
Financial Rec- ords	Inadequate records & financial irregularities	Low	The Council has Financial Regulations which sets out the requirements.	Reviewed annually
Bank & Banking	Inadequate Checks	Low	The Council has Financial Regulations which sets out the requirements for banking, cheques and reconciliation of accounts.	Existing procedures are adequate
	Bank Errors	Low	The clerk reconciles the bank accounts once a month when the statement arrives; any problems/irregularities are dealt with immediately by informing the bank and awaiting their correction.	
	Loss	Low	Losses would result from a bank error and these would be immediately reported to the bank. Possible losses from unauthorised access to the Council's bank account are minimal.	
			Bank statements are monitored and irregular bank charges queried.	
	Charges	Low		
	Security	Medium	The Council has Financial Regulations which sets out the requirements.	
Cash	Loss through theft or dishonesty	Low	The Council has Financial Regulations which set out the requirements. Cash is banked within 6 working days. , access to petty cash is only open to the Clerk and is regularly accounted for and balanced, receipts are provided for any expenditure. Petty cash is not used. Expenses are reimbursed monthly following submission of an Expenses form.	Existing procedures are adequate
Reporting & Auditing	Information communication	Low	A budget monitoring statement is produced before each Council meeting with the agenda and discussed and approved at the meeting. Financial information is a regular Council agenda item.	Existing procedures are adequate
	Compliance	Low	Auditing takes place on an annual basis.	

Direct Costs Overheads	Goods not supplied but billed	Low	The Council has Financial Regulations which set out the requirements.	Existing procedures are adequate and Financial
Expenses Debts	Incorrect Invoicing	Low	Prior to each Council meeting invoices are checked by the clerk and allocated a cost code. A payments schedule is circulated to councillors prior to the Council meeting and any councillor can query an invoice with the clerk. If satisfactory the schedule is approved at the Council meeting.	Regulations reviewed annually
	Cheque payable incorrect	Low	The clerk prepares the cheques. After the Council meeting at which the payments are approved two councillors will sign the cheque and initial the cheque stub.	
	Electronic payment incorrect	Low	The clerk uploads the online payments and provides a copy of the payments to be authorised online together with the invoices. After the meeting at which the payments are approved two councillors will sign the initial the online payment list and log in to the banking system and authorise the payments.	
	Loss of Stock	Low	The Council has only minimal stocks and these are monitored by the clerk.  Unpaid invoices due to Council are pursued by the clerk on a regular basis.	
	Unpaid Invoices	Low		
CPBC Run Activi- ties	Risk of financial loss	Low	Activities previously held, such as the Village Fete, have been financed by stall sales and sponsorship prior to the event. A maximum exposure is ascertained and agreed prior to the event. If finance is not secured in advance there may be some financial risk which would need to be covered by the Council's reserves.	Existing procedures are adequate
Grants & Support – Payable	Power to pay /Authorisation of Council to pay	Low	All such expenditure goes through the required Council process of approval, minuted and listed accordingly if a payment is made using \$137 power of expenditure. A grant application form has been devised to keep up to date records of applications.	Existing procedures are adequate
Grants – receiva- ble	Receipts of grants	Low	The Council does not presently receive any regular grants. One off grants come with terms and conditions to be satisfied and are monitored by the clerk.	Existing procedures are adequate
Charges /Rentals Payable	Payments of charges, leases, rentals	Low	The Council rents an office from St Leonards Parish Church; rent is paid bi-annually in advance by standing order. Payments are reported to Council as made.	Existing procedures are adequate
Charges /Rentals Receivable	Receipts of charges, leases	Low	Invoices for leases are issued in advance of rental period. The lease with The Berkhamsted School for car parking on Common land off Copperkins Lane requires submission of insurance details to Council on an annual basis. A schedule of way-leaves payments is kept, updated and monitored by the clerk.	Existing procedures are adequate. Leases are reviewed periodically
Best Value/ Accountability	Work awarded incorrectly	Low	The Council has Financial Regulations which set out the requirements for awarding contracts.	Existing procedures are adequate
	Overspend on services	Medium	If a problem was encountered with a contract the clerk would investigate the situation, check the quotation/tender, research the problem and report the matter to the Council.

## Common, Woodlands & Burial Ground Maintenance Working Group Report 7th June 2021

The working group has been provided with a brief summary of work in progress and planned maintenance, via the Clerk. I attach this as an appendix. Sam has provided us with a very useful list of regular contractors and the type of work they offer.

Over the next few months the WG will seek meetings with the various contractors and volunteers and look to the Clerk to furnish us with past correspondence on the various categories of activity. The WG has met once (on site), since formation, to discuss work required around Bricky Pond, the fallen willow tree and maintenance around the Common.

## 1. Management Plan for the Common and Woodlands

The WG will organise a meeting with John Morris on a suitable date to understand what preparation is required for work that will commence in the Autumn.

#### 2. Burial Ground Maintenance

Buckland Landscapes are due to conduct early summer maintenance around the BG later in June. The WG will make contact with Buckland's and arrange a meeting at the BG to ascertain the scope of work prior to this.

#### 3. Common Maintenance

The fallen section of the willow tree by the Pond was removed and some of the logs were placed on the boundary of the nature reserve to stop people walking around the western end of the Pond. The WG was of the opinion that at least one of the other stems of the willow tree had leant further down towards the Pond. The contractor, Ridgeway, felt the stems had not moved and advised to let them fall into the Pond and not to remove them.

We will seek a second opinion from another arboriculturist, as we suspect the willow stems may be at risk of falling. At the very least, the broken branch left hanging in the Pond needs removing.

There are several other areas of work to determine: rotten bench replacement, restoring the nature reserve fencing, the Pond leak, cutting back bramble encroachment on the meadow, reinstating the bund outside Rectory Cottage (damaged by recent utility work). This is not an exhaustive list.

Danny Buckingham

### Appendix A - Clive's Ongoing Work Notes

### **COMMON**

#### Pond

Leak to fix and silt to remove, Sam has 2 quotes with Land and Water being the most professional and comprehensive, but tenders may be necessary. After this work is done, which will be quite disruptive, the aim was to restore the nature area at the back with new fencing to prevent people walking in there and maybe install a pond dipping platform.

**Heatherton School** – Their contractor is called Keystone (contract manager Neil Woodward), We agreed that a full safety survey of trees was necessary and when that is complete, they can judge a route for the path. A detailed proposal should be put before the council for approval. The licence agreement is in hand.

**Memorial benches**: policy was agreed and also the style – "Oxford" in teak from memorialbenchesgb.com

## Section 38 applications:

**Raised bund along Chestnut Lane**: Hasn't been started – Council agreed a quote from Chesham Town Council for the work, but the application hasn't been progressed.

**Works to area around Pavilion:** Don't know what is happening to the cricket club proposed works – have they dropped them?

## **WOODLANDS/TREES**

### **Management Plan**

Year 2 complete and all planting done. Pete Whipp is going to look at weed treatment around the new trees in Bois Wood and Tenterden Spinney, hasn't quoted yet.

Year 3 is supposed to be thinning on the main common so contact needs to be made with John Morris soon to look at which trees and where to focus, then quotes for the work can be obtained for actioning from end Sept.

If there is wood chip produced from tree work some of it should be used to top up the area under the woodland trail in the Spinney.

Tree-Safety Surveys: Scheduled for end May/early June: Remedial work will need to be carried out.

### **Outstanding tree work**

Along the fence line of the Old Formal Burial Ground adjacent to the horse's field. Tree work identified from earlier tree-safety surveys.

### **BURIAL GROUND**

**New Formal BG:** Renew taking into account slope and need for draining and provide solid base for hearses. Volunteer it Yourself organisation may be able to help with this work. Hugh needs to be chased about repairs to the track.

**Woodland BG:** The new path at the top of the Woodland BG needs to be marked out and overhanging trees dealt with. Signs need putting up to keep walkers on the path, not over graves.

**Original Formal BG:** The works to the front of the burial ground need supervising and the old trunk left on the grass bit outside the gates needs removing to the woodland somewhere (Hugh said he could do it if he had a tractor there).

There is a gap in the railings where a hawthorn hedge has just been planted but it needs blocking off from walkers as they are using it to enter and so disturbing the saplings.

## Transport Working Group Report for 14 June 2021 Council Meeting Mobile Vehicle Activated Sign (MVAS)

MVAS data is not being downloaded therefore I'm unable to report on vehicle speed compliance in the parish.

All MVAS should be set to display speeds between 25mph and 40mph only. This preserves battery life and prevents motorists from triggering higher speed displays. The requested changes to the settings have not been made. The brightness levels on MVAS 1 (Bois Lane) need to be reduced by a further 25% to preserve battery life as previously requested.

The installation of the new VAS unit on Amersham Road continues to be delayed because TfB did not provide infrastructure information until May 2021 – some 7 months after it was requested. This project is now subject to additional cost of £943.34 – see summary below.

## Request for approval of additional funding of up to £943.34 for the match funded Vehicle Activated Sign (VAS) unit of Amersham Road.

10 September 2020 – Community Board approves matched funding of £3001.15 for VAS.

14 September 2020 – CBPC approves matched funding of £3001.15 for VAS.

September 2020 - Swarco confirm pricing by updating a quote from 2019.

November 2020 - CBPC order VAS from Swarco.

December 2020 to March 2021-Various emails from Clerk and myself to TfB and Swarco chasing installation of VAS. Swarco inform CBPC that they are waiting for technical information from TfB.

March 2021 – Project delay raised with Community Board, BC and TfB

19 May 2021 – Correspondence between Swarco and TfB highlights 2 issues with project – Traffic Management and the requirement for a longer pole, 2.4m rather than the normal 2.1m as the footpath is a cycleway.

20 May 2021 CBPC Clerk informed of project issues by TfB.

7 June 2021 CBPC Clerk notified of additional project costs and informs working group of problem. Traffic management additional cost is £448.57 and longer pole cost is £494.77 a total of **£943.34**.

7 to 11 June 2021 - DWK corresponding with BC/Amersham Community Board and Swarco regarding poor and untimely advice from TfB and attempting to deflect the additional cost to TfB/Amersham Community Board/Swarco. I was hoping to have an update on funding before circulating the report and am still hopeful of receiving an update prior to the Council meeting. My aim is to not incur any additional cost but that may not be achievable hence the request for approval of **up to £943.34** 

#### **Road Works**

The gas main replacement works on Amersham Road are set to last until February 2022 and are causing congestion at peak times.

## Cllr David King 13 June 2021
