

'Beating the Bounds' of Chesham Bois Sunday 22nd May 2022

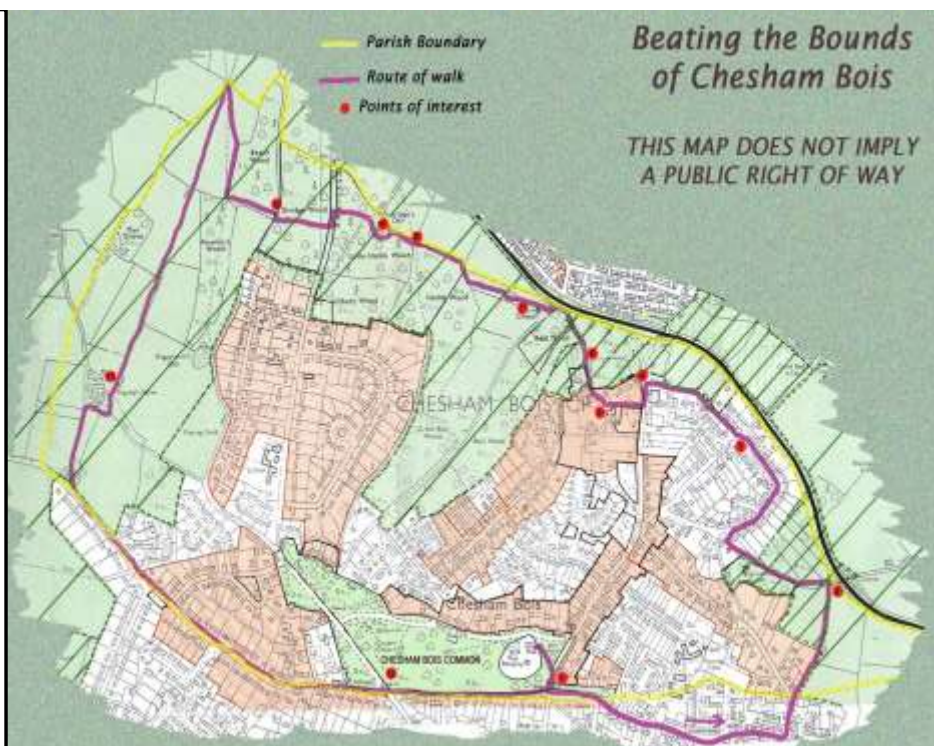

Departing from the Parish Centre Car Park at 2.00pm

Everyone welcome, including dogs on leads for a conducted walk of approximately 5 miles taking roughly 2 hours to trace the Parish boundary.

The route includes stiles and Jacobs Ladder and is **NOT** suitable for pushchairs.

Refreshments will be available after the walk at the Parish Centre.

'Beating the Bounds': Villagers would historically walk the boundaries of their parish. In doing so they would reaffirm the extent of their territory, their knowledge of the land and its markers, passing down knowledge to younger generations.
